SUN AND SEA

A scenic view of a beach with turquoise water, a white boat on the horizon, and mountains in the background. The sky is clear blue, and the water transitions from light turquoise near the shore to a deeper blue further out. A small white boat is visible on the horizon line. In the background, there are green mountains and a coastal town with white buildings on the left.

A scenic view of a beach at sunset. The sky is a mix of orange and yellow, transitioning into a darker blue. In the background, a large, dark, jagged cliff face rises from the water. The ocean is calm, with gentle waves lapping at the shore. The foreground shows a sandy beach with several large, dark rocks scattered across it. The overall mood is serene and majestic.
